Product information

BEAUTY OF LANDSCAPE LIGHTING: Introducing our 50W halogen bulb landscape spotlight with a brightness of 380 lumens and a warm white color temperature of 3000K■perfect for highlighting landscape features. This high-quality lamp provides ample lighting for outdoor spaces, offering a warm and inviting ambiance to any garden, courtyard, or other outdoor areas

DURABLE: The landscape floodlight features a corrosion-resistant metal casing, providing robust protection against various outdoor weather conditions and wear and tear. This durable design ensures longevity and reliability. Its sturdy construction ensures long-lasting performance for your outdoor lighting needs

EASY TO INSTALL: This landscape spotlight features a quick-connect connector and a metal stake, making installation a breeze without the need for any tools or equipment. It can be directly connected to low voltage electrical cables, ensuring ease and convenience for any outdoor lighting setup

12V AC LOW VOLTAGE SYSTEM: The low voltage input ensures energy efficiency, reducing power consumption. The halogen bulb provides bright and warm lighting, creating a charming ambiance. The 12V AC input also makes the light more safe and easier to install, as it doesn't require high voltage wiring. This makes it a reliable choice for outdoor lighting applications, offering both beauty and practicality

ONE YEAR WARRANTY: Get peace of mind with our landscape floodlight, which comes with a 1-year warranty. Our warranty ensures that your product will be free from defects in materials and workmanship, giving you the confidence to enjoy your beautiful outdoor lighting for years to come
