Product information

TAP INTO ANY WIRE WITH EASE:

Without needing to cut, strip or solder, quickly and easily install your lights fixture to low voltage cable by inserting the cable in the groove of the connector and tighten with the other side

6 PACK CONNECTORS FOR 6 LIGHTS:

Contains 2 pairs of low voltage outdoor light cable connectors. No need using 3 pieces for connecting one light like others and our 4 pack connectors enough to connect 6 landscape fixtures

DURABILITY:

Outer layer made of waterproof material and it resists corrosion, for outdoor low voltage landscape wire using, completely reusable

WIDE COMPATIBILITY:

Work with 12/14/16 gauge cable for low voltage landscape lights. Good choice for replacing faulty connectors of your light fixture

WIDE APPLICATION:

For connecting with low voltage landscaping lights, pathway lights, landscape spot light and in-ground lights in your garden, patio, yard etc

Please confirm the final model, configuration, availability and applicable documentation with our team before ordering.
