Product information

HOLIDAY-COLORED LENS FILTER:

This GOODSMANN filter lens is used for your garden landscape lighting. It can add to the festive atmosphere and offer an outlet for people's pleasure and excitement

FOR MR16 BULB USE ONLY:

This GOODSMANN filter lens is specially customized for MR16 bulbs. Well-suited for changing the light color of landscape lights which use MR16 bulbs

3 PACK FILTER LENSES.]:

This GOODSMANN filter lenses set contains 3 pcs filters in red color. It's used for outdoor landscaping lighting effects and red color correction. Meet your needs for multiple lights setting

HIGH LIGHT TRANSMISSION LENS:

This red color filter lens is made of glass, which makes the lens has a high light transmission. It holds the steady color temperature and makes less loss

METAL CLIP INCLUDED:

GOODSMANN filter lens comes with a metal clip. It helps the filter lens to be fastened on MR16 bulbs to prevent the lens from slipping
