Product information

PROPER LIGHT RANGE: This beautiful landscape path light boasts a cylindrical design and a 100 lumen light source. Its moderate brightness and coverage area make it the ideal choice for illuminating outdoor spaces. Whether you're looking to highlight a beautiful flowerbed or simply provide a well-lit path for guests, this light is sure to exceed your expectations. With its elegant design, it adds a touch of style to any outdoor setting, making it the reliable choice for those who value both form and function

LIGHTING SOLUTION: The 2W LED landscape road lamp with 100 lumens and 2700K provides a low-power yet high-efficiency lighting solution. With its energy-saving capabilities, this lamp is the perfect choice for garden and courtyard lighting. Experience a bright and inviting outdoor space while reducing your energy consumption

DURABLE AND WEATHERPROOF: The 2W LED landscape path light is made of corrosion-resistant aluminum structure, making it durable for outdoor use. The design features a weather-resistant structure that can withstand wind and rain, providing a reliable solution for outdoor lighting needs. The sleek and sturdy design will add a touch of style to any outdoor space

EASY TO INSTALL: Come with a sturdy metal stake and a rotating locking connector, making installation a breeze. No complicated setup, simply connect to low voltage cable and enjoy bright, reliable lighting. Enjoy a secure and hassle-free installation process

5.1 YEAR WARRANTY: The path light comes with a 1-year warranty, providing customers with peace of mind and confidence in the product. This warranty guarantees that any issues arising from manufacturing defects or product malfunctions will be promptly addressed and resolved, ensuring that customers can enjoy a reliable lighting experience. The warranty also offers the assurance that customers will receive the necessary support and service in the unlikely event of any product issue
