

3W Low Voltage Path Lights

MODEL: GG9128-21301-08A

Power	3W
Voltage	12V AC
Light output	180 Lumen
Material	Metal

Product information

- 8PK 12V AC PATHWAY LIGHTING: You will like the shape, a refreshing option from other shaped lights. Clean and modern lines, 3000K warm light
- SOLID & METAL CONSTRUCTION: Our landscape lights come with the metal stake, with a thick die-casting aluminum protecting against any corrosion, cracking and rust. The lens on the lights are glass and not plastic, which has high light transmission and the color temperature will be steady
- SLEEK LOOKING MODERN DESIGN: The design of the head is simple, clean yet modern and well thought out. These pathway lights are durable, weather resistant, will offer a nice glow to your outdoor landscape
- EASY INSTALLATION: The connectors provided make it easy to setup into a low voltage system without any tools or additional wire connectors. You will be happy with the simple installation
- WORK WITH LOW VOLTAGE TRANSFORMER: Powered by any low voltage transformers. If for any reason you are not satisfied with your purchase, please contact us for fast after-sales service
- Please confirm the final model, configuration, availability and applicable documentation with our team before ordering.
