Product information

8PK LOW VOLTAGE PATH LIGHTS: These 8PK landscape path lights feature 3W LED with 3000K warm white, providing a warm and inviting ambiance to any outdoor space. These 12V AC path lights offer an efficient and reliable lighting solution for illuminating pathways, driveways, gardens, and other outdoor areas. The low voltage design makes them an energy-efficient option, while their easy installation process makes them an ideal choice for your yards

SLEEK LOOKING MODERN DESIGN: The design of the head is simple, clean yet modern and well thought out. In addition to their attractive and functional design, these low voltage pathway lights are also attached with cable connectors that make installation a breeze. Simply connect the lights to your low voltage wiring system and you're ready to go. These pathway lights are durable, weather resistant, will offer a nice glow to your outdoor landscape

ALL METAL CONSTRUCTION: These landscape path lights aren't just stylish and easy to install - they're also built to last. Featuring durable metal construction and with replaceable metal stakes, these lights are built to withstand the

elements and provide long-lasting performance. The path lights come with cable connectors, making them easy to install without the need for additional wire connectors or tools

WORK WITH LOW VOLTAGE TRANSFORMERS: These 3W LED low voltage landscape lights work with any low voltage transformers, making them a versatile and flexible choice for your landscape lighting needs. Illuminate your walkway, highlight your garden, or add some ambiance to your outdoor living area with ease. With the help of a low voltage transformer, these path lights can be easily controlled and adjusted to meet the specific lighting needs of your outdoor space

1 YEAR WARRANTY: Our GOODSMANN landscape lights come with a one-year warranty, the warranty covers any defects in materials or workmanship, and the warranty also includes a commitment to customer satisfaction, giving you peace of mind and protection against any manufacturing defects. These pathway lights are durable, weather resistant, will offer a nice glow to your outdoor landscape
