

3W Low Voltage Spotlight - 8 PK

MODEL: GG9121-16103-08A

Power	3W
Light output	200 Lumen
Color temperature	3000K
Pack size	8 PK
Material	Metal

Product information

Metal Stake And Quick Fit Connector

: Metal in-ground stake provides steady support for the light to prevent it from leaning sideways. The rotating screw connector can connect the light to the low-voltage cable more conveniently and quickly

ADJUSTABLE LANDSCAPE SPOTLIGHT

: The adjustable knob can control the direction of the light for highlighting your home's favorite landscaping or architectural details

Replaceable Bulb

: The included MR11 LED bulb has high efficiency and has a long service life. The replaceable 3W LED bulb produces 200 Lumens 3000K in lighting output, warmly illuminate the roads, driveways, etc

DURABILITY

: Waterproof grade is IP14, die-cast aluminum brings better weatherproof performance corrosion resistance. The sleek all-black design adds style and enhance the beauty of your garden or pathway

Easy Installation

: To install loosen ground with a shover or soften soil with water, then press stake in to around, just connect the included connector to the low-voltage cable on the low-voltage system
