Product information

6PK LOW VOLTAGE PATH LIGHTS: Create a warm and inviting atmosphere in your outdoor space with these low voltage pathway lights. With 1.5W LED G4 replaceable bulbs, they provide 120 lumens of warm white light at 3000K, making them an energy-efficient and attractive choice for your landscape, yard and walkway. These 12V AC pathway lights provide a soft and welcoming glow that will enhance the beauty of your home

LONG LIFESPAN: The LED bulbs in these lights have a longer lifespan compared to traditional bulbs, meaning you won't have to replace them as frequently. The replaceable G4 LED bulbs are also convenient and cost-effective in the long run. When it comes to your outdoor lighting needs, you want a product that is reliable, durable, and stylish. With all-metal construction, replaceable bulbs, and easy installation, these low voltage pathway lights are the perfect solution

WORK WITH LOW VOLTAGE TRANSFORMERS: These 12V AV landscape lights work with any low voltage transformers, making them a versatile and flexible choice for your landscape lighting needs. Illuminate your walkway, highlight your garden, or add some ambiance to your outdoor living area with ease. Their stylish and modern design will

complement any landscape and add a touch of elegance to your outdoor space

ALL METAL CONSTRUCTIONS: Built to last, these low voltage pathway lights feature all-metal construction and replaceable stakes that ensure they can withstand the elements and provide long-lasting performance. The included cable connectors and metal stakes make installation easy and hassle-free, so you can have your lights set up and working in no time

1 YEAR WARRANTY: The fixture come with a one-year warranty, the warranty covers any defects in materials or workmanship, and the warranty also includes a commitment to customer satisfaction, so if you have any questions or concerns, we are always available to assist you

Please confirm the final model, configuration, availability and applicable documentation with our team before ordering.
