Material	Metal

Product information

- ✓**8PK OIL RUBBED BRONZE PATH LIGHTS:** These 8PK low voltage pathway lights are with oil rubbed bronze finish, will provide reliable and efficient illumination for outdoor spaces. With 3W LED that produce 120 lumen of warm white light at a color temperature of 3000K, these 12V AC path lights are ideal for illuminating walkways, driveways, gardens, and other outdoor areas
- ✓**METAL CONSTRUCTION:** These landscape lights and the stakes are metal so you don't have to worry about breaking. The stakes even have a little foot step to help install if you need. These low voltage path lights are designed to withstand harsh outdoor conditions, ensuring long-lasting durability and reliable performance. The oil rubbed bronze finish adds a touch of elegance to the fixture, making it a stylish addition to your yards
- ✓**WORK WITH LOW VOLTAGE TRANSFORMERS:** As these led landscape path lights are attached with cable connectors and with 12V AC input, it is easy for you to connect these landscape lights to your low voltage transformers and low voltage wires. These 12V AC path lights will provide a warm and inviting ambiance, making them perfect for creating a cozy atmosphere in your outdoor space

✓EASY INSTALLATION: These low voltage path lights come with cable connectors to be connected with your low voltage landscape lighting system. Cable connectors allow for greater flexibility in the placement of the lights, as you can easily extend or shorten the cable length to fit your specific needs. This makes it easier to create the desired lighting effect in your outdoor space. The cable connectors also provide added durability, as they can withstand the bad weathers

✓1 YEAR WARRANTY: These GOODSMANN path lights come with 1-year warranty, the warranty covers any defects in materials or workmanship, and the warranty also includes a commitment to customer satisfaction, giving you peace of mind and protection against any manufacturing defects. These low voltage pathway lights are durable, weather resistant, will offer a nice glow to your outdoor landscape
