## Product information

**Low Voltage Brass Pendant Lights:** These 2PK led low voltage landscape pendant are constructed from solid brass, its durability and corrosion resistance, ensures that these lights withstand the elements and maintain their beauty over time. The brass finish adds a unique charm, making these landscape spotlights a great addition to your yards

**With Replaceable LED Bulbs:** One of the standout features of these brass pendant lights is the replaceable 5W LED bulbs. You can simply replace the bulbs without having to replace the entire fixtures. The LED bulbs from these outdoor landscape pendant lights are replaceable, ensuring that you'll be able to keep your lights shining brightly for years to come

**Compatible with Low Voltage Transformers:** These LED low voltage landscape pendant lights work with any low voltage transformers (Not Included), making them a versatile and flexible choice for your landscape lighting needs. Illuminate your pergola, highlight your garden, or add some ambiance to your outdoor living area with ease

**All Brass Construction:** Built to last, these low voltage landscape lights feature all-metal construction and replaceable stakes that ensure they can withstand the elements and provide long-lasting performance. These outdoor landscape pendant lights are terrific for outdoor low voltage use as a hanging fixture inside of a tree or other location benefiting

from direct downlight

Widely Used: The reliable solution for your outdoor lighting needs. Whether you need to light up your tree, pergola, or other landscape, these led pendant lights are a reliable choice for your outdoor lighting needs. These brass pendant lights are easy to install and come with cable connectors that make it simple to set up a complete lighting system
